- Secure advanced bookings for travel as required
- Ensure that accommodation for the teams is booked as required
- Book training facilities for all team trainings
- Order All clothing

During the training process, and until the completion of the National Championships, AFA will:

- Support all coaches and managers through the provision of administrative service
- Lodge relevant paperwork with Championship Convenors, as well as specific tournament organisers
- Hold a team coaches technical meeting and provide ongoing support to the coaches for each program
- Keep the AFA Futsal website and Facebook page updated with information from the Championships.

COACHES ROLES:

In compiling this handbook, Australian Futsal has sought to limit the responsibilities of the coaches as much as possible so that the greater part of their efforts are spent in team training, conditioning and handling of the team.

Policies in relation to teams are not set by coaches - only Australian Futsal can set policies.

The coach, upon his/her selection, shall operate under the direction of the Australian Futsal Technical department. The coach will confer with the technical director and make arrangements to conduct trainings. The Coach will also confer with the team manager to commence a close liaison particularly in areas of joint responsibilities.

TEAM MANAGERS ROLES:

Team Managers are appointed by Australian Futsal (Not Coaches) and are responsible for a myriad of duties, but generally the health and well-being of the players. In collaboration with the coach, the team manager will have the responsibility of all off court activities associated with the team. The team manager will also act as liaison between coaches, parents and players. Other major responsibilities are:

- Coordinate the distribution of uniforms after players have made orders.
- Establish a good rapport with parents and participants
- Circulation of documentation
- Liaise closely with Australian Futsal Appointed Co-ordinator
- Manage & coordinate player's meals when away according to Meal rosters
- Manage & coordinate player's bus transport when away according to bus rosters
- Washing of team uniform & Dress Gear only

- Seek medical support when required
- Coordinate “off court” activities such as excursions. If time permits.

PLAYERS ROLES:

Australian Futsal staff, Team Managers and Coaches will all demonstrate the utmost respect to every player. In return, it is expected that all players respect the Code of Conduct, as well as rules that are specific to their program. Players are to abide by Coaches and Managers directions as these people have the best interests of not only the individual, but the team in mind.

Players should:

- Arrive for training at times specified by the coach Warm up in accordance with coach’s instructions
- Be dressed in futsal shoes, shin pads, etc. prior to commencement of training
- Have your drink bottle filled
- Attend all trainings, and games and if there is a conflict, advise the coach in advance treat your team mates, coaches manager other parents game officials and opposition players with respect
- Be prepared to be challenged and step outside your “comfort zone” in order to develop as a player
- Accept new tactics, team mates, training methods and try new playing positions with enthusiasm
- Adhere to the Players Code of Conduct

PARENTS/SUPPORTERS (MUST BE OVER 18) ROLE:

We understand parents want to do everything they can to ensure their children enjoy a positive futsal experience. Australian Futsal requires assistance to ensure this can be achieved.

You can help by:

- Be supportive by having your child to their commitments on time helping them achieve good time management skills
- Prompt payment of fees in accordance with payment plans
- Adhere to the parents Code of Conduct
- Encourage your child to take responsibility for their performance using good nutrition principles to improve your child’s diet
- Be a shining example of verbal self- control. Use positive phrases and don’t coach your child, or other players, from the sideline
- Parenting and coaching are both challenging responsibilities. Understanding the roles of each, and following the proper channels of communication, will enable parents and coaches to work effectively together.

In most circumstances, the Team Manager can address the concerns of a parent; however on occasion, issues or concerns may arise that need to be discussed with the coach. These may include:

- Notification well in advance of any schedule conflicts Health issues concerning the athlete
- Any distractions that may be affecting your daughters/sons athletic performance

There are times when it may be difficult to accept your child’s court time or playing position on the team. It is important to understand that the Coach will make a judgement decision based on what they believe to be best for all team members, team performance and the overall State Team program.

Issues that *are not* appropriate to discuss with a Coach:

- Playing time
- Team Strategy
- Other Players

- Players position on the team
- Any decision made by the coach relating to futsal performance

MEDICAL/ILLNESS AND INJURY PREVENTION

It is the Team manager's and coach's responsibility to ensure that the athlete's injury is managed in accordance with first aid procedures.

At no time should athletes share drink bottles with other athletes, due to the risk infection.

Athletes that are injured will be asked to provide a letter of clearance from a Physio or medical doctor before returning to training. In the event of a minor injury or ailment, the team manager or coach may be responsible for managing the injury.

You will be required to fill out a medical information on the online acceptance form.

NOTE: It is the parent's responsibility to ensure that the student is adequately covered for medical, Hospital, dental and personal accident and injury insurance. Australian Futsal Association will not accept financial liability for such expenses if they should arise. Where supervision of the administering of medication is required while the student is away from home, parents will need to document details in separate correspondence to the team management.

POLICIES

Alcohol

AFA has a long standing policy forbidding the consumption of alcohol by players, whether of legal age or not, for the duration of all Australian Junior Championships. This starts with the arrival of the first competing team / official and ends at the departure of the last competing team/official. All players are expected to adhere to the AFA policy and coaches and Team Managers will be informed to enforce this policy.

Smoking

Smoking is not allowed at any site associated with an Australian Junior Championships. All sites and venues associated with the Australian Junior Championships are "Smoke Free Zones". This policy will apply for the duration of the Championship which starts with the arrival of the first competing team or official and ends at the departure of the last competing team or official.

Insurance

if a player is injured at a national event the correct procedure is as follows:

- Player must notify the sports trainer/first aid at the competition
- The Sports trainer/first aid will make documentation of the injury.

Further treatment for Injury post Competition

All injured players must seek medical advice and review of the injury from a medical practitioner prior to having treatments such as physiotherapy, x-rays etc. for the said injury.

GP or treating doctor in an emergency department – please note a first aid officer is not a legally qualified and registered medical practitioner and cannot prescribe or recommend treatment required for the injury this must be done by a medical practitioner to meet the policy guidelines

To read further information regarding Insurance claims please go to www.australianfutsal.com > Insurance.

Child Protection Policy

The purpose of this Policy is to promote children and young people's wellbeing and to protect them from harm. It outlines the organisation's commitment to developing a culture that recognises and promotes the safety and wellbeing of children and young people, and the implementation of risk management strategies that minimise and eliminate harm to them.

To view the Full Policy please go to <http://www.australianfutsal.com> > Insurance > Australian Futsal Association Child Protection Policy and Risk Management

Each coach and manager must have the relevant Blue card check or Police check from your relevant State.

Bullying, Cyberbullying and Cyberstalking

AFA is committed to providing an environment that is free from bullying and regards bullying and harassment in all forms as unacceptable in our sport. Bullying has the potential to cause great anxiety and distress, and has the potential to result in significant negative health and well-being consequences to the person targeted by hurtful or derogatory comments or statements.

Most of us are passionate about our sport and in some instances bullying, perceived or actual, may occur out of frustration. Frustration at a teammate, coach, official, volunteer or sporting body should never be communicated on social networking websites. These issues should instead be addressed in a written or verbal statement or a complaint to the relevant controlling Association, club or peak sporting body.

AFA will not tolerate abusive, discriminatory, intimidating or offensive statements being made online.

PARENTS / FRIENDS / SUPPORTERS AT NATIONALS

Players will only have limited contact with parents, friends and supporters at the National Championships. This time is limited to after games if time permits and is usually only for 10 minutes or so in duration.

- Use this time to be supportive, but not critical
- Do not attempt to give coaching advice as it possibly conflicts with team rules and what the Coach is asking of your child
- Be respectful of all other team members when conversing with your child

A team that bonds well and plays for one another will achieve far more than a team of individuals not following team rules. As parents you have not been exposed to the team rules. Expressing your views about team performance or player performance is not helpful to the team harmony.

When at an Australian Championship, parents and supporter behaviour in the grand stand reflects on the overall impression of our state and players. Please adhere to all codes of conduct and good sportsmanship.

Australian Futsal supports a zero tolerance policy of bad behaviour towards referees and officials. At an Australian Championship, referees are regularly evaluated. Leave it to the Referee Evaluator to speak to the referees.
